- Built-In Bluetooth
- IP67 Waterproof
- Information Display for Service Data
- Manual/Search Tuning
- Menu Selection for Major Functions
- Station Auto Scanning
- Easy to Read LCD Display with Backlight
- I/O Ports: DC-In/Micro USB Socket for Software Update
- Hand Strap Included

This IP67 waterproof radio is perfect while taking a shower or at your swimming pool. The H205 allows you listen to DAB+ and FM or connect your smart device with Bluetooth for your own tunes. The included hand strap makes it possible to hang the H205 wherever you like. With the 8 station presets (4 DAB / 4 FM), your favorite stations can be quickly stored and recalled with the large illuminated easy-to-read 3-line display. The clear menu structure delivers a quick and easy access to all information such as the station name, info, time and more. Software updates can also be established via the built-in micro USB port.
